Three-Tier Mentoring Packages

Three Mentoring Packages for those who have had their manuscript assessed or appraised by Aurora and need help to further develop their manuscript before resubmitting for publication.

Introductory Mentoring Package

- **3 sessions @ 60 minutes per session via Zoom/ Teams**
- **Duration: 4 Weeks**
- **Cost: \$1150**
- **Package Purpose:** For those who have received an Aurora Manuscript Appraisal or Assessment, looking for support in developing a key part of their manuscript to be ready for resubmission.
- **Author requirement:** Author must provide the completed manuscript assessment or appraisal, a manuscript summary, synopsis and the first three chapters prior to beginning sessions.
- **Content:** Mentor and Author meet over three sessions to discuss the development of the Author's manuscript. Mentor provides regular feedback, writing prompts and focussed development suggestions on **one** aspect of the manuscript; e.g. character, plot structure, point of view or narrative arc.

Intermediate Mentoring Package

- **6 sessions @ 60 minutes per session via Zoom/ Teams**
- **Duration: 6 - 8 Weeks**
- **Cost: \$2200**
- **Package Purpose:** For those who have received an Aurora Manuscript Appraisal or Assessment, looking for support in developing multiple aspects of their manuscript to be ready for resubmission.

- **Author requirements:** Author must provide the completed manuscript assessment or appraisal, a manuscript summary, synopsis and the first three chapters prior to beginning sessions.
- **Content:** Mentor and Author meet over **six** sessions to discuss the development of the Author's manuscript. Mentor provides regular feedback, writing prompts and focussed development suggestions on **three aspects** of the manuscript; e.g. character, plot structure and narrative journey. Mentor will read up to 24K words over the 6 sessions.
 - **Session 1:** Introductions, discussion about writing process and areas for development.
 - **Session 2:** Discussion on progress. Send up to 8K words to Mentor for development notes review.
 - **Session 3:** Feedback and discussion on development notes. Author given new writing tasks for development work.
 - **Session 4:** Discussion on writing tasks and new developments. Send a further 8K words to Mentor for development notes review.
 - **Session 5:** Feedback and discussion on development notes. Talk through final areas to work through. Author sends final 8K words for development notes review.
 - **Session 6:** Final feedback on development and suggestions for next steps moving forward.

Intensive Mentoring Package

- **10 sessions @ 60 minutes per session via Zoom/ Teams**
- **Duration: 6 - 8 Weeks**
- **Cost: \$3600**
- **Package Purpose:** For those ready to fully develop their manuscript on a fixed schedule, getting regular writing check ins and preparing their manuscript for resubmission and publication.
- **Author requirements:** Author must provide the completed manuscript assessment or appraisal, a manuscript summary, synopsis and the first three chapters prior to beginning sessions.
- **Content:** Mentor and Author meet over **ten** sessions to discuss the development of the Author's manuscript. Mentor provides regular feedback, writing prompts and focussed development suggestions on **all aspects** of the manuscript; including character, plot structure, narrative journey and point of view. Mentor will read up to 60K words over the ten sessions.
 - **Session 1:** Introductions, discussion about writing process and areas for development. Author sends up to 10K words for development notes review.
 - **Session 2:** Feedback and discussion on development notes. Author given writing tasks.

- **Session 3:** Feedback and discussion on writing task outcomes and development. Author sends up to 10K words for development notes review.
- **Session 4:** Feedback and discussion on development notes. Author given writing tasks.
- **Session 5:** Feedback and discussion on writing task outcomes and development. Author sends up to 20K words for development notes review.
- **Session 6:** Feedback and discussion on development notes. Author given writing tasks.
- **Session 7:** Feedback and discussion on writing task outcomes and development. Author sends up to 10K words for development notes review.
- **Session 8:** Feedback and discussion on development notes. Author given writing tasks.
- **Session 9:** Feedback and discussion on writing task outcomes and development. Author sends up to 10K words for development notes review.
- **Session 10:** Final feedback on development and suggestions for next steps moving forward.
