

## Manuscript Assessment Form

In submitting your manuscript for Assessment, you are agreeing to us performing the assessment and understand that the assessor is critiquing your work on a non-biased basis, and any criticism is purely about the manuscript and not meant as personal criticism about the author.

Please print, complete and sign the Assessment Submission form below and return to us with your manuscript. If you wish to email the manuscript, please scan a copy of the signed form and attach to your email, or mail to us separately if you have no scanner. Also ensure that you keep the original manuscript and send a copy only.
