- Your book promoter will schedule your ebook to be free on Amazon Kindle for 5 days.
- Leading up to your ebook sale on Amazon, your book promoter will arrange for your book to be advertised on multiple free and paid websites, such as Freebooksy and The Fussy Librarian, to increase the number of downloads you receive while your book is free.
- Once your ebook sale is over, your book promoter will email you a report of how many downloads you received and from what countries.

Additional add on: \$150 (+ 10% GST)

One-month NetGalley feature: NetGalley is a website where readers can request your book in exchange for an honest review.
